Jewelry: Cartouche White Gold

Description

Designed by VERASH. Cartouche is cast in sterling silver, [optional yellow gold (14), or white gold (14)] then hand finished with an antique background plus a 20" long sterling silver heavy duty round cable chain with a lobster clasp closing.

Cartouche measures approximately 2 & 3/4" long with bail for a chain by 5/8" wide with the horizontal bar at the bottom measuring 3/4" across.

The chain is strong enough to hold this substantial pendant yet subtle to enhance the intricacy of this collectible design.
